

AMIT BHARDWAJ

Gorakhpur, Uttar Pradesh

+919140886479 amitbhardwaj2609@gmail.com linkedin/amitbhardwaj2609/ github.com/AmitBhardwaj26

Education

Madan Mohan Malaviya University of Technology

Bachelor of Technology in Information Technology CGPA-8.37

Nov. 2020 – June 2024

Gorakhpur, Uttar Pradesh

Dr GL Kanaujia Public School

Intermediate Percentage - 92.6%

2019

Shahjahanpur, Uttar Pradesh

Experience

Scaler Academy

Oct 2023 – present

Problem Setter & Technical Content Reviewer — Offer Letter

- Developed a comprehensive set of programming problems in different programming languages based on DSA.
- Contributed to creating **300** mobile app quizzes based on Data Structures and Algorithms, demonstrating expertise in educational content development.
- Played a key role in SEO optimization in more than **150** articles and reviewed **200** article keywords, significantly improving online content visibility and reach.

iMochaWorks

July 2022 – April 2023

Problem Setter Intern

- Proficiently applied diverse data structures to problem design and solution structuring. Extensively explored various topics in Data Structures and Algorithms and Aptitude
- Create over **60** questions covering diverse areas of Data Structures and Algorithms for Coding Rounds.
- Recognized with the internship completion certificate for **10** months of work. *CERTIFICATE*

Projects

Certificate Key Vault | *Node.js, Handlebars, MongoDB* | **Github** | **Live**

January 2023

- Significantly boosted backend productivity by **70%** through the implementation of advanced admin functionalities.
- Build key features including Certificate Verification, Admin Login & Dynamic Data Management (Add, Update, Delete)
- Enhanced security and user experience with an intuitive Admin Interface and Secure Password Change System

Notes-Keeper | *ReactJS, NodeJS, MongoDB* | **Github** | **Live**

June 2023

- Utilized BcryptJS for robust password hashing and encryption, further enhancing the security of user data.
- Effectively tested **12** API Endpoints using Postman, ensuring the reliability and functionality of the Rest API.
- Utilized a context-based approach to facilitate data flow between components, enhancing the user interface.

CodeStory | *ReactJS, NodeJS, Javascript* | **Github** | **Live**

October 2022

- A cutting-edge web portfolio, expertly crafted using React, showcasing interactive and responsive design elements
- Incorporates advanced features like React-pdf for dynamic document rendering & React-particles engaging visual effects
- Utilizes Bootstrap for styling, with added functionalities like GitHub activity calendar and typewriter effects, enhancing user engagement.

Technical Skills

Languages: C , C++, JavaScript, SQL

Developer Tools: VS Code, Vercel, Render ,MongoDB, Netlify, Github, Git, Postman, NOSQL

CourseWork : Computer Networks, Operating Systems(OS), Database Management System(DBMS), Object Oriented Programming(OOPS), Data Structure and Algorithms(DSA)

Frontend Technologies: HTML3, CSS3, JavaScript, jQuery, ReactJS, EJS, Material UI.

Backend Technologies: NodeJS, Express JS, npm, Rest API, Real-Time API, SQL, Hashing, JWT,MongoDB

Achievements / Extracurricular

• Rating on coding Platforms

Leetcode: **AmitBhardwaj26** Knight Max Rating(2095) , codechef: **AmitBhardwaj26** 4star Max Rating(1881)

codeforces: **AmitBhardwaj** Specialist Max Rating(1525) , GFG: **AmitBhardwaj**

- Solved **1700+** **Data Structure and Algorithms** problems on *LeetCode* , *Codechef* , *GFG* , *CSES*
- 1460th** Rank (Global) among 12000+ participants (Top 12% Participants) in Kickstart 2022 Round H
- 437th** Rank in Biweekly Contest 118 | **568th** Rank in Weekly Contest 350 in **LeetCode**
- Participated in **100+** Coding Contests held on different platforms.
- Certificates:** Data Structure & Algorithm , Mern Stack Development , Others
- Position of Responsibility:** Vice-President and Competitive Programming Mentor in CodeChef MMMUT Chapter, conducted more than **3** DSA Problem-solving contests with **1000+** overall participation.
